Our Benevolent Care Fund

This opportunity to honor and remember those close to us will benefit our Benevolent Care Fund. This fund assists those residents who through no fault of their own have outlived their financial resources. Frederick Living has a long tradition of embracing the virtue of giving to help others and we hope that you can help through your generosity.

This year we are starting a new tradition. We are fashioning luminaries around the campus with the help of residents, staff and volunteers. Each of these luminaries represents a tribute for a family member, friend or neighbor. On each of three nights of lighting, residents, staff and community volunteers gather to light the candles in cheerful holiday fashion. The luminary lighting will take place on December 17, 18 and 19 weather permitting.

Frederick Living is proud to celebrate this Grand Illumination. This event honors and remembers our loved ones, and reminds us of how we are blessed by others.

To light a candle
illuminates
the darkness
and invites others in by its
brightness—
let your light
generously shine!
