

January 14, 2021

Dear Magnolia House and Aspen Village residents and families,

We want to share that we received an email from CVS with our vaccine clinic dates for residents living in Magnolia House and Aspen Village. The clinic dates are as follows:

January 30, 2021

February 20, 2021

March 13, 2021

We are waiting for a phone call from a CVS representative that will allow us to confirm these dates. Until that call is received, the dates are subject to change.

With this news, our Frederick Living vaccine team will begin to prepare for the clinic on January 30. We will continue to share information and plans, as they are available. In the meantime, please complete the Consent Form that was provided previously and send it back to Frederick Living.

If you have questions or concerns, please contact the following individuals:

Daniel Samai, dsamai@frederickliving.org or ext. 1284

Lori Spiezio, lspiezio@frederickliving.org or ext. 1313

Thank you for your continued support during this difficult time.

Our hope is that the vaccination of our residents and staff will move us closer to a return to normal.

Sincerely,

A handwritten signature in black ink that reads "Jeremy Kauffman".
