

**Date:** 10/15/2021  
**To:** Frederick Living Residents, Families and Team Members  
**From:** Frederick Living COVID - 19 Team  
**Memo:** COVID - 19 Updates

Cedarwood Healthcare Center remains in “outbreak status” until October 22<sup>nd</sup> as the requirement is for 14 days. Testing of all Cedarwood residents and Cedarwood associated team members have shown no spread of COVID - 19 at this time.

Visitation is open across campus including Cedarwood Healthcare Center.

Residents are able to visits throughout all levels of living.

Mask wearing is encouraged during all interactions with others while outdoors. Masks are still required indoors for all activities.

We have also completed Residential Living outbreak testing with no new positive cases.

The Bistro, Freddie's, and Fireside will be reopening for seating beginning Monday, October 18<sup>th</sup>.

The Body Shop will be reopening Monday, October 18<sup>th</sup> - ***masks will be required at all times*** in the Body Shop, including when on all exercise machines and equipment.

Thank you!
