

Planned Power Outage Phase 2 to Prepare for Installation of New Generator

To: All Frederick Living Residents
Start Date/Time: Wednesday, November 10th starting around 7:30am
End Date/Time: Thursday, November 11th ending around 6:00pm

Affected Areas: Oaktree Court Apartments and Oaktree Center including Oaktree Beauty Salon, Main Kitchen, Fireside, The Bistro, Freddie's Cafe, The Body Shop, the Marketing Offices, the Art Room, the Library, and common restrooms in these areas.

What will occur: During this planned power outage, the affected areas will be on a backup temporary generator that will power all lights and all outlets in Oaktree Court Apartments and Oaktree Center including all three elevators and the Main Kitchen. There will be times that landline phones will not work. Please charge your cell phones, if you have them, to make calls or to contact Frederick Living's front desk.

Oaktree Parking Garage: The Oaktree parking garage and the road to it will be closed. If you need to use your vehicle during this time, please move your vehicle outside by November 9 to the Oaktree Court parking lot.

No Power or Limited Power: There will be a period that the affected areas (approximately 1 hour on each day) where there will be no power or limited power. We have not been given a timeframe for this.

Weather permitting: This project is weather permitting. If it is raining, this project will be cancelled for safety reasons.

Contact Person: Please contact either Greg Witters extension 1112 or Emily Messner extension 1206 with questions or concerns.
